Personal Guaranty

By signing above, which is in my individual capacity (even if I place a title or other designation by my signature), I hereby jointly and severally, absolutely and unconditionally guarantee and promise to pay to the Bank promptly when due, by acceleration or otherwise, all indebtedness ("Indebtedness") incurred at any time arising under or in connection with any Account requested in this Application or any attachment. Indebtedness shall include all principal, interest, fees, late charges, and all collection costs and expenses, including all of the Bank's attorney fees, whether or not there is a lawsuit or appeal. This Personal Guaranty shall remain in full force until all Accounts are terminated and any and all Indebtedness is paid in full. I hereby authorize the Bank to do any of the following from time to time, without notice or demand and without lessening my liability under this Personal Guaranty: (a) change the credit limit of the Account(s); (b) alter, compromise, renew, extend, accelerate or otherwise change the time for payment or other terms of the Indebtedness, including but not limited to changing the interest rate; (c) release, compromise, substitute, agree not to sue or deal with any Applicant, or any other maker, guarantor, surety or endorser in any matter the Bank chooses; (d) apply payments to the unpaid balance of the Account(s) as the Bank deems appropriate; and (e) sell, transfer, or assign the Account(s) or the Indebtedness to any entity. Except as prohibited by law, I waive any right to require the Bank to: (i) continue lending money or extending credit to the Applicant; (ii) make any acceptance, presentment, protest, demand, or notice of any kind, including notice of any non-payment of the Indebtedness or notice of any action or inaction on the part of the Applicant, Bank, or maker, surety, or endorser, or other guarantor in connection with the Indebtedness; or (iii) resort for payment or proceed directly against any person, including the Applicant, maker, surety or endorser, or other guarantor in connection with the Indebtedness. I waive all notices and defenses, including, but not limited to, changes to the Applicant's financial condition, the Applicant's lack of authority to apply for the Account(s), the loss or theft of any card, and any fraudulent or other unauthorized use of any Account. In any action or suit brought by the Bank against me, I will not assert as a defense any statute of limitations if at the time the action or suit is commenced there is outstanding any Indebtedness of Applicant to the Bank which is not barred by any applicable statute of limitations. If payment is made by Applicant on a debt guaranteed hereby, and thereafter the Bank is required to remit the amount of the payment to the Applicant's trustee in bankruptcy or similar person under any federal or state bankruptcy law or law for the relief of debtors, the Applicant's debt shall be considered unpaid for the purpose of enforcement of this Personal Guaranty. The Bank is authorized to make any investigation of my credit or employment status either directly or through any agency employed by the Bank. I certify under penalties of perjury the information on this Application and that I am a U.S. person (including a U.S. resident alien).

Subordination of Guarantor's Rights Against Applicant

I agree the Indebtedness of Applicant to the Bank, whether now existing or hereafter created, shall be and the same hereby is declared to be prior to any claim I may now have or hereafter acquire against Applicant, whether or not Applicant becomes insolvent, and I shall and do expressly subordinate any such claim I may have against Applicant, upon any account whatsoever, to any claim the Bank may now or hereafter have against Applicant. In the event of insolvency and consequent liquidation of the assets of Applicant, through bankruptcy, by an assignment for the benefit of creditors, by voluntary liquidation, or otherwise, the assets of Applicant available for the payment of the claims of both the Bank and me shall be paid to the Bank and shall be first applied by the Bank to the Indebtedness of Applicant to the Bank. I do hereby assign to the Bank all claims which I may have or acquire against Applicant or any assignee or trustee in bankruptcy of Applicant; provided, such assignment shall be effective only for the purpose of assuring to the Bank full payment of all Indebtedness of Applicant to the Bank.
